A dark, low-key photograph of a crowd at night. Several hands are raised in the air, silhouetted against a slightly brighter background. The background is filled with out-of-focus lights, creating a bokeh effect with various colors like white, purple, and green. The overall mood is one of a large gathering or event.

Kto z Was automatyzował
cokolwiek?

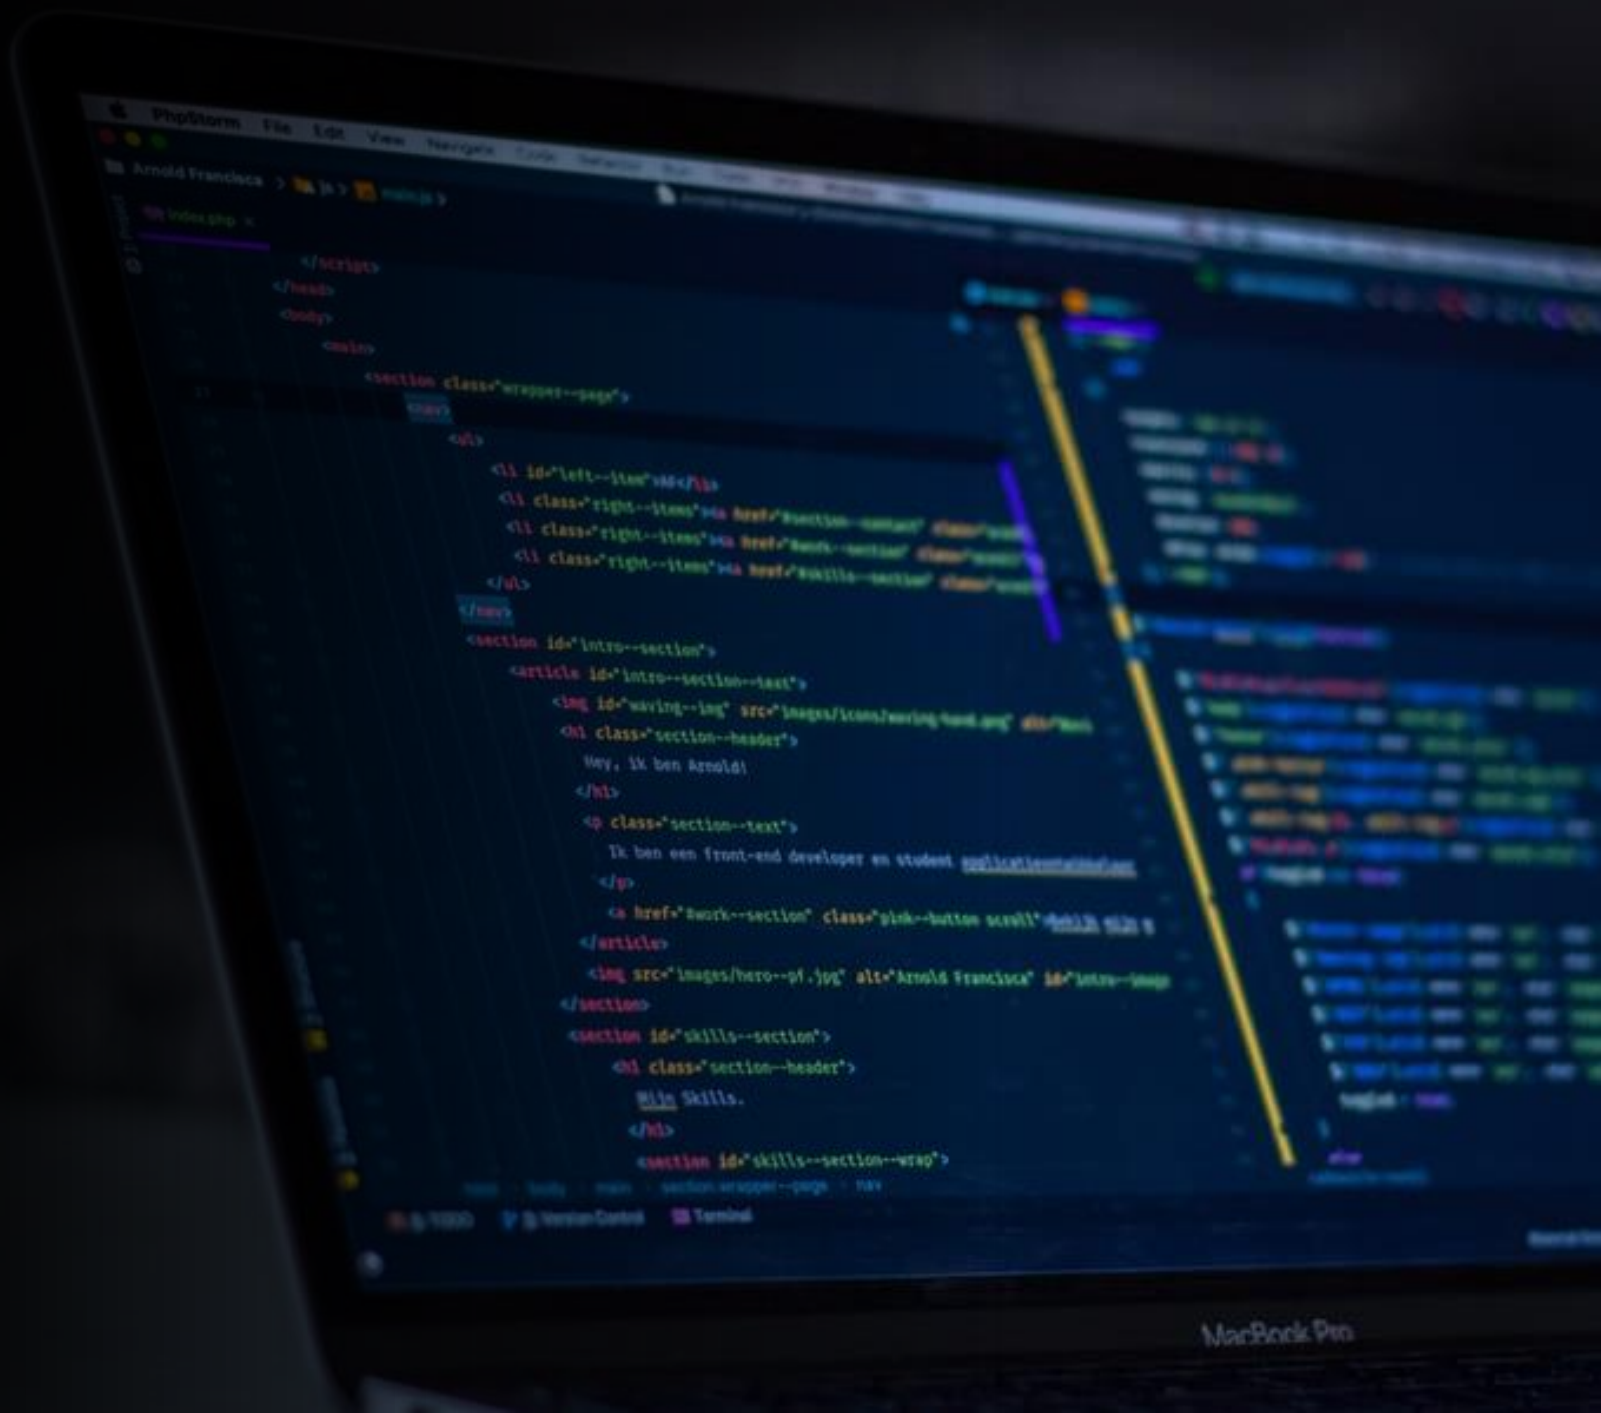

Problem

A dark, low-key photograph of a crowd at night. Several hands are raised in the air, silhouetted against a dimly lit background. The background shows blurred lights, possibly from a stage or event, creating a bokeh effect. The overall mood is one of excitement or celebration.

Infrastructure as a Code (IaC)

The image features a central black rectangle with a thin white border. To the left of the rectangle, there are two white zigzag lines. Above the rectangle, there is a large orange semi-circle. Below the rectangle, there is a small green circle. To the right of the rectangle, there is a large green semi-circle. The word "DEMO" is written in white capital letters in the center of the black rectangle.

DevOps

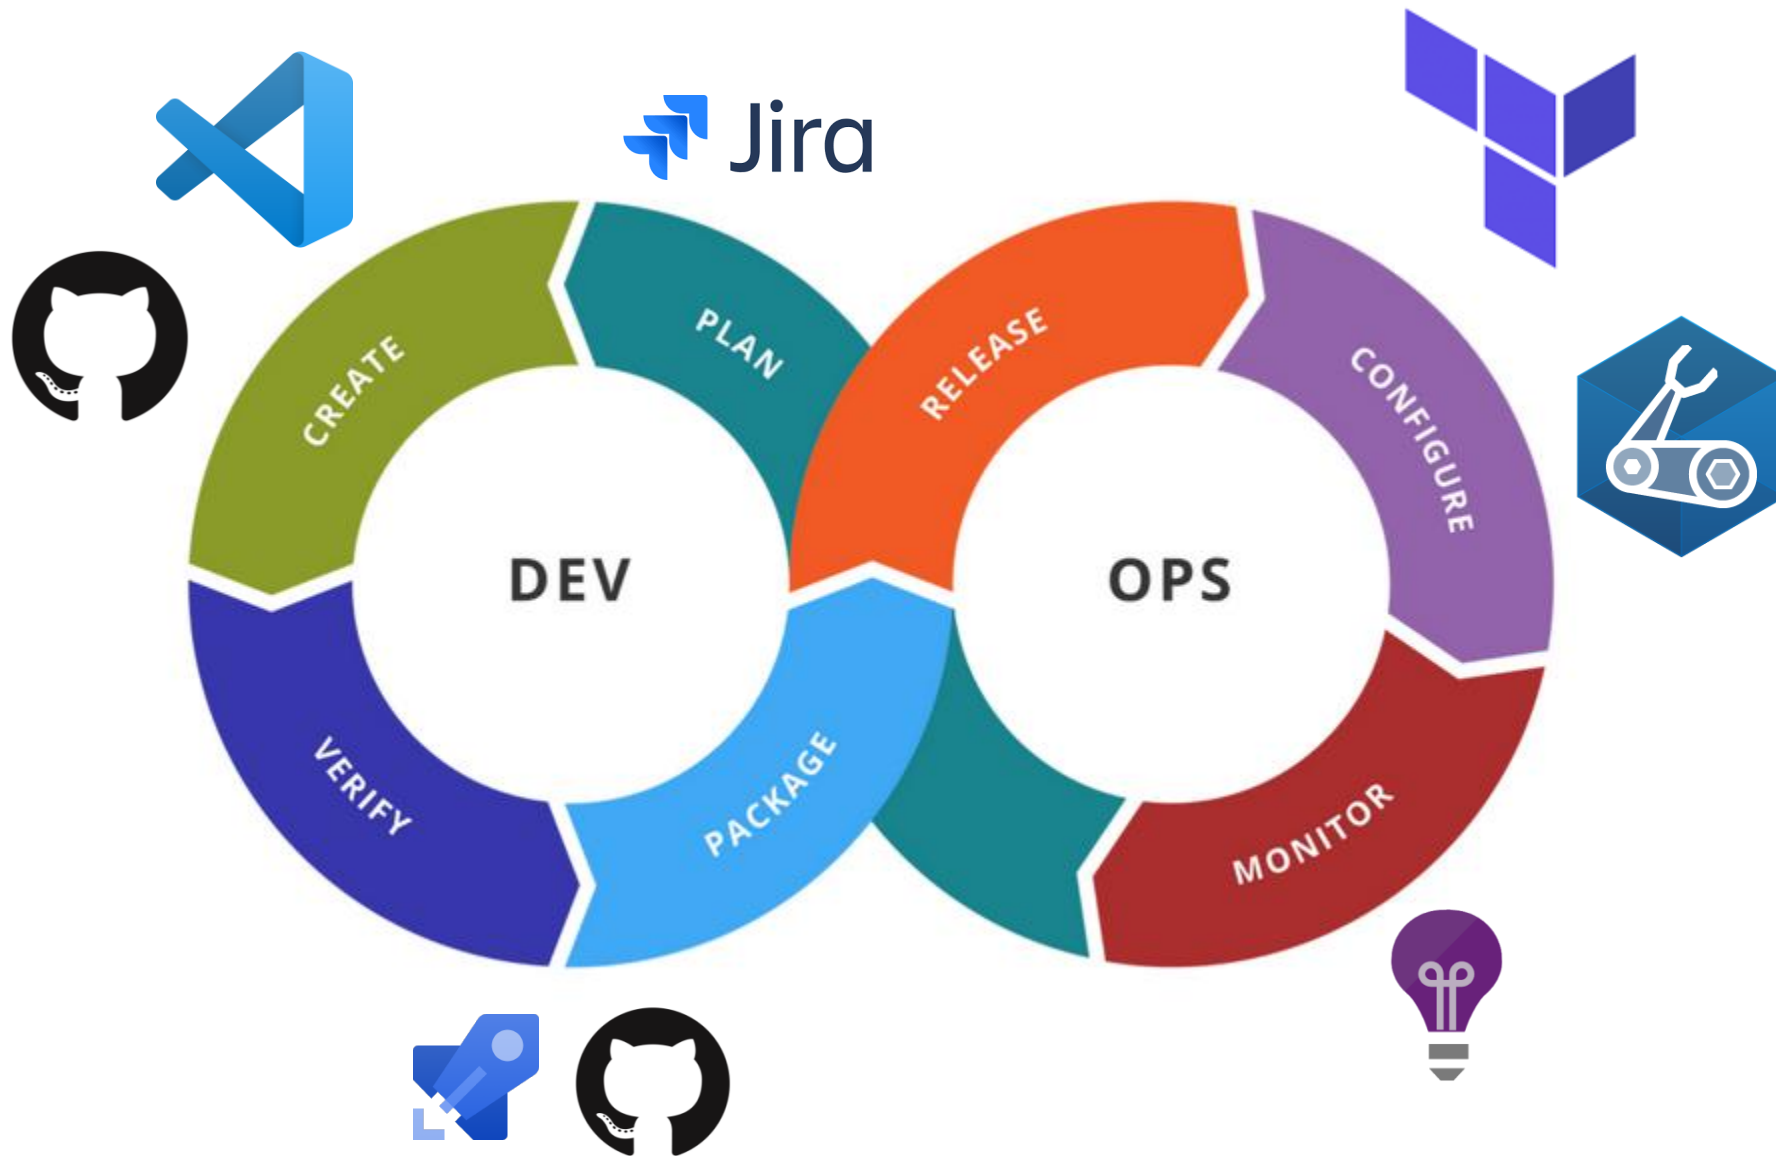

A dark, low-key photograph of a crowd at night. Several hands are raised in the air, silhouetted against a slightly brighter background. In the background, there are out-of-focus lights, some appearing as bright white bokeh and others as colorful (purple, blue, green) bokeh, suggesting a concert or festival setting. The overall mood is energetic and communal.

DevOps to rola/osoba w
zespole?

A compound of development (Dev) and operations (Ops), DevOps is the union of people, process, and technology to continually provide value to customers.

A dark, low-key photograph of a crowd at night. Several hands are raised in the air, silhouetted against a slightly brighter background. The background is filled with out-of-focus lights in various colors (white, green, purple), suggesting a festival or concert setting. The overall mood is energetic and communal.

Czy wśród nas są DevOps?

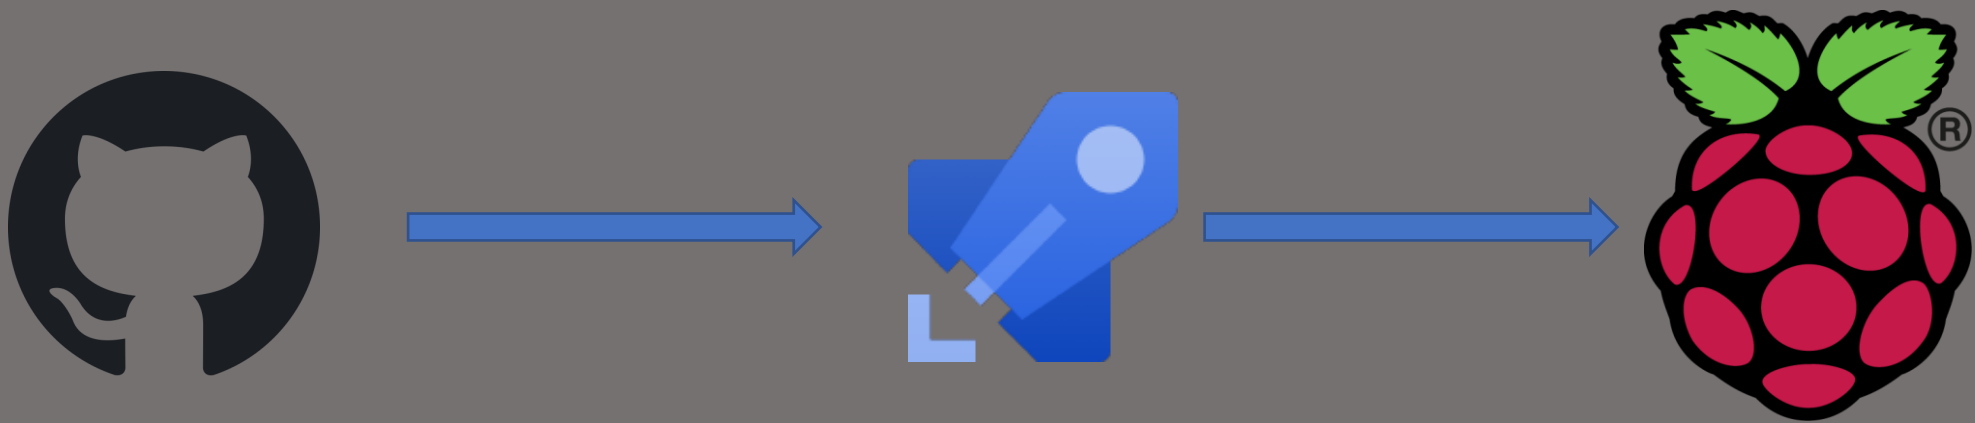

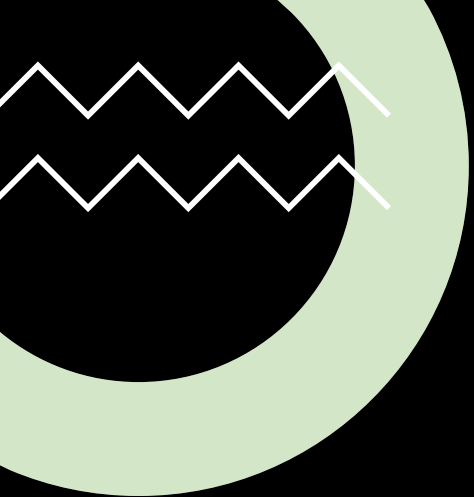

The background is black and features several abstract elements: a large light orange semi-circle in the top left, a white zigzag line below it, a light green semi-circle in the bottom right, and a small light green circle on the left side of the central rectangle. The central rectangle has a white border and a thin orange border.
